mention is made of a similar concession is given to St Martha's Hospital, Bangalore.

The files on the subject of duty free spirits to this Hospital are put up.

2. The probable quantity required by the Hospital at Chickballapur is not given. It may here be mentioned that the grant of this concession is purely an act of charity on the part of Govt and so it is perhaps necessary to know what duty the Govt have to forego. A draft is subd for orders, making this enquiry. There may be similar requisitions from particular institutions.
